

Where Local Good Grows

Hendricks County Community Foundation

2024 Annual Report

Dear Friends of the Hendricks County Community Foundation,

2024 was a transformative year for HCCF – one defined by historic milestones, unprecedented generosity, and deepened community impact. Thanks to our donors and partners, we awarded nearly \$2.2 million in grants, received **our largest single gift ever – a remarkable \$6.5 million anonymous donation**, and expanded our role as a catalyst for positive change in Hendricks County.

As we reflect on the past year, we are proud to share the extraordinary impact made possible through **collaborative partnerships, visionary donors, and our steadfast commitment to building a stronger community**.

In 2024, we:

- **Awarded over \$200,000 in unrestricted grants to make Hendricks County better, like the grant to help launch the Dolly Parton Imagination Library in partnership with all six public libraries.** Because of this initiative, thousands of local children now receive a free, age-appropriate book each month, igniting a lifelong love of reading.
- **Strengthened civic engagement** through our Community Unity efforts, including distributing **Voter Guides to every household in the county**, hosting **Meet the Candidates Forums**, and expanding voter education resources. We also produced a **Diversity Awareness Series** to encourage meaningful public dialogue.
- **Completed a transformational \$6.6 million investment in local nonprofits**, concluding a three-year partnership with the Hendricks County Commissioners and Council to help distribute **American Rescue Plan Act (ARPA)** funds to organizations and improving lives across our community.

These milestones underscore the power of **philanthropy in action** – real people making a real difference. With **total revenue surpassing \$12.5 million and endowed investments growing to \$30.8 million**, HCCF is stronger than ever and positioned to serve our community for generations to come.

At the heart of this work is our **Stronger Together: Building a Better Community** campaign. Thanks to the generosity of donors like you, we've already reached **45% of our \$1.5 million goal** – unlocking significant matching funds from Lilly Endowment. **But time is running out.** This unprecedented **\$3-to-\$1 match opportunity ends in December 2025**, and we need your help to maximize its impact.

Every unrestricted dollar raised will be **matched by three more**, creating lasting resources that allow HCCF to **respond to emerging needs, fund innovative solutions, and sustain vital programs that enhance life in Hendricks County**. With less than a year left, now is the time to **act and be part of this transformative effort**.

To our donors, volunteers, nonprofit partners, and community advocates – thank you. **Your generosity fuels this work.** Your support ensures that HCCF continues to be a trusted partner, aligning resources and empowering people to create lasting impact.

Let's keep building a better future together.

Yours in philanthropy,

Local Business & HCCF Team Up to Help Families

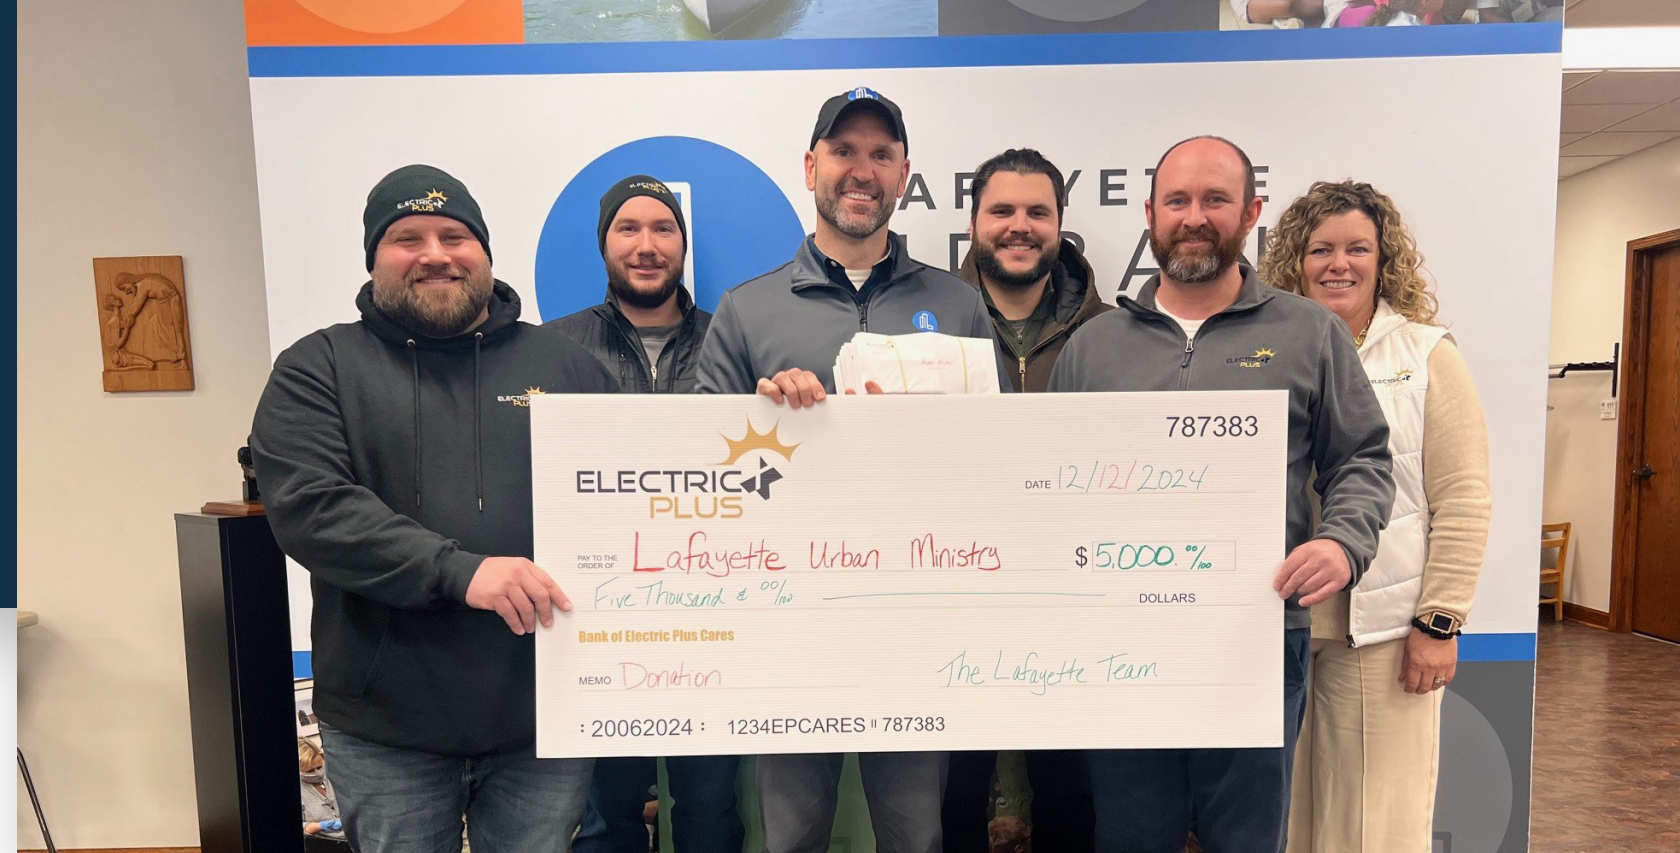

At HCCF, we know that when businesses invest in their communities, everyone wins. In 2024, we were honored to partner with Electric Plus to establish the Electric Plus Cares Fund, helping the company and its employees expand their commitment to giving back.

HCCF helps companies build customized giving programs that strengthen their businesses and their communities. Whether you want to launch a corporate giving fund, expand your charitable efforts, or maximize employee donations, we're here to help.

Electric Plus, an employee-owned commercial electrical contractor founded in Hendricks County, has long supported families in need through its Electric Plus Cares initiative. Each holiday season, employees come together to purchase essential items and restaurant gift cards, offering relief to families in need while also supporting local businesses. The company also contributes to organizations such as Project Angel and Family Promise. Looking to grow the program and offer tax benefits to employees who give—many through payroll deductions—Electric Plus turned to HCCF to create a lasting solution.

Contact us today at info@hendrickscountycf.org or 317-268-6240 to explore how your business can give back. 🌱

In October, the Electric Plus Cares Fund was launched, fueled by employee contributions and matched 100% by the company. By the end of 2024, the fund had distributed nearly \$60,000 in grants, supporting families in Hendricks County, Lafayette, and Bloomington—communities where Electric Plus operates.

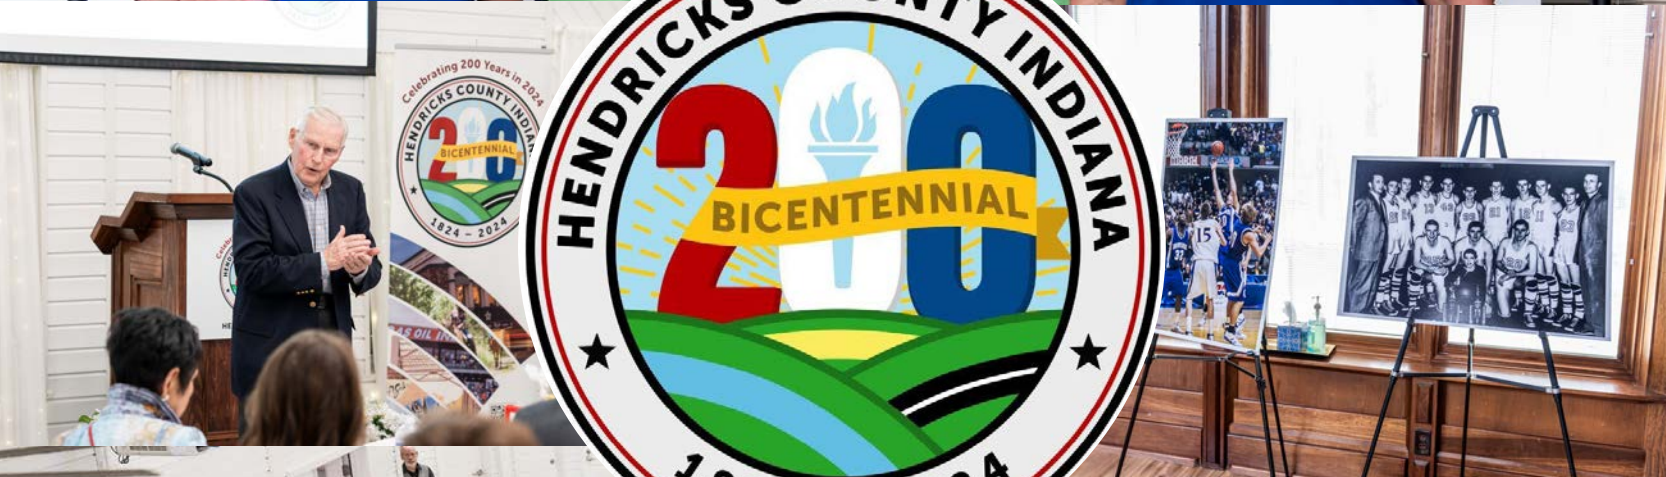

“We’ve always believed in giving back, and this fund allows us to do even more for families who need it most. Partnering with HCCF has made it easier than ever to make a real impact.”

Celebrating Two Centuries of Hendricks County

2024 was Hendricks County's Bicentennial Year and the Community Foundation was front and center in the celebrations joining with the other lead sponsors: Visit Hendricks County and the Hendricks County Commissioners and Council. HCCF made two \$20,000 grants to support Bicentennial programming, one from the Opportunity Fund and one from the GIFT VII Implementation Fund as community unity grants.

Themed events took place in every corner of the county and included signature events like the Hendricks County Rib-Fest and BBQ and the Hendricks County Fair. Cookies and cakes were made, signs were displayed, crafts were created; all to celebrate the special occasion.

The Bicentennial Closing Celebration was held on January 24, 2025 at Hendricks Live! The event included performances from the Hendricks Symphonic Society, Hendricks Civic Theater and Levi Riggs.

On behalf of the Bicentennial Steering Committee, Visit Hendricks County and the Parks Foundation of Hendricks County announced the Bicentennial Legacy Project: The Hendricks County Bicentennial Tree Trail at W.S. Gibbs Memorial Park. Construction will begin in 2025 and when complete, the trail will showcase nearly 100 tree species, all native to Indiana with signage identifying each tree species.

2024 Lilly Scholars

Tiba Altower
Plainfield High School

Aahan Bajpai
Brownsburg High School

Haydan Gabbard
Cascade High School

Since 1998, the Community Foundation has been proud to partner with Lilly Endowment Inc. to offer the Lilly Endowment Community Scholarship Program. Over the last 27 years, HCCF has awarded 77 Lilly Scholarships to students from Hendricks County. This scholarship provides full tuition to an accredited public or private nonprofit college or university in Indiana and a yearly stipend for required books and equipment. Hendricks County Lilly Scholars are awarded this prestigious scholarship based on significant community service, outstanding academic achievement and leadership skills.

Congratulations to our three 2024 Lilly Scholars: Tiba Altower, Aahan Bajpai and Haydan Gabbard.

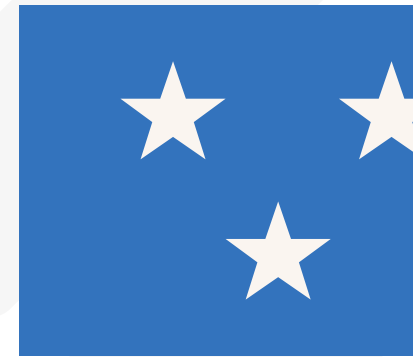

The scholars took a tour of 98.9 WYRZ Radio, a local nonprofit supported by HCCF. Scan the QR code to see a video of their visit and hear what they learned about HCCF grantmaking and what the Lilly Scholarship means to them! ✨

Increasing Civic Engagement

Increased civic engagement is a core tenet of our Community Unity programming, and 2024 focused heavily on our State and Federal elections. We are grateful for our partners at The Republican Newspaper who have supported this work of providing high quality, accurate information to make sure Hendricks County has the most educated electorate in the State.

For both the Primary and the General election, we hosted Meet the Candidate Forums allowing members of the public to meet, face-to-face, those running for office. Each candidate was available at their booths to meet and answer questions from attendees and then was given time from the stage to answer predetermined questions and give their stump speech.

Additionally, we partnered with The Republican Newspaper to send every household in the county the Hendricks County Voter Guide for both the Primaries and

the General Election. The Voter Guides had important information about voting and interviews with every candidate on the ballot.

HCCF continued our support of the VoteHC.org website which provided up-to-date information on the elections, housed our voter education video series, and an online version of the Voter Guide. And finally, we printed banners for Hendricks County high schools to encourage new voters to "Register to Vote."

No matter how Hendricks County votes, it's important to understand how elections work, who you are voting for, and to make your voice heard. ✨

 HCCF FUNDS BRING
Dolly Parton's
IMAGINATION LIBRARY
 TO HENDRICKS COUNTY

In 2024, HCCF's Legacy Funds awarded a \$25,000 grant to the Imagination Library of Hendricks County Fund to help launch the Dolly Parton Imagination Library in Hendricks County. This program provides a free, new book every month to all enrolled children ages 0 – 5 in our community, delivered right to their door. For more information and to register your child for the Imagination Library, contact Denise Robinson at 317-852-3167, ext. 100 or visit imaginationlibrary.com/usa/affiliate/INHENDRICKS. As the program's fiscal sponsor, HCCF is partnering with all the libraries in the county to manage the finances of the Imagination Library.

This effort is bolstered by a \$6 million state allocation from Indiana's Next Level Agenda, which matches local contributions. Additional funding came from American Rescue Plan Act (ARPA) funds and the Brownsburg Library, creating a unified approach to enhance early literacy. **Please consider donating to the Imagination Library of Hendricks County Fund so that all young children in our community can continue to enjoy free books. Scan the QR code below to give today!**

Dolly Parton's Imagination Library, a global program, has gifted over 250 million books worldwide, mailing over 3 million books monthly. The program, funded by The Dollywood Foundation and local partners, aims to inspire a lifelong love of reading. Research consistently demonstrates the positive impact of early access to books on childhood development and literacy.

“We’re incredibly excited to partner with the State as well as our fiscal partner, the Hendricks County Community Foundation to bring the Imagination Library here. With the help of our partners, we’ll be able to reach over 9,000 children throughout the county and encourage them to read together with their families.”

Denise Robinson,
 Director of the Brownsburg Public Library

HCCF's ability to award this significant grant is made possible by generous donors who give to unrestricted funds like our Family Legacy Funds. These flexible funds empower HCCF to make impactful grants like this one, which will improve the education and reading skills of thousands of children in our community. Right now through the Stronger Together Campaign, any gift made to a Family Legacy Fund or unrestricted fund at HCCF will be matched \$3 to \$1, quadrupling the gift and the impact! **Contact William Rhodehamel at william@hendrickscountycf.org for more information on how you can make a difference by starting a Family Legacy Fund.** 🌟

Family Legacy Funds

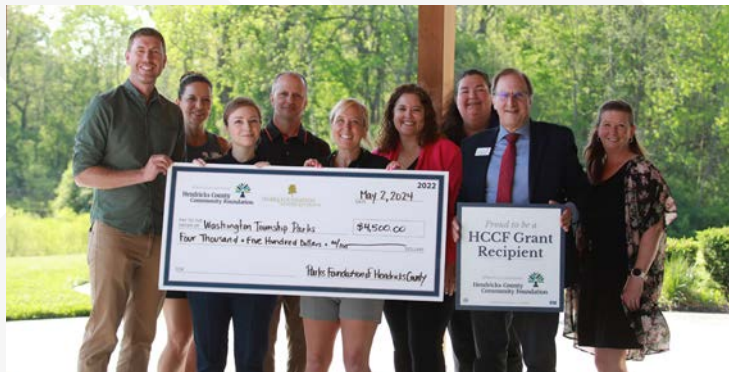

Leave a Legacy for a better Hendricks County.

A Family Legacy Fund is a fund at the Community Foundation that allows a family to permanently support their community while honoring their family name forever. These funds are powerful grantmaking tools for HCCF to use in meeting current and emerging needs in our community - needs that often would not be met otherwise.

Right now, through the Stronger Together Campaign, **you can quadruple your gift to a Family Legacy Fund**, or any unrestricted fund! This campaign is backed by a \$3 million grant from Lilly Endowment and an additional match provided by an anonymous HCCF donor, providing a generous **\$3 to \$1 match for any gift to an unrestricted fund!**

Your contribution to the Stronger Together campaign through a Family Legacy Fund is an investment in Hendricks County's future. **Contact William Rhodehamel at william@hendrickscountycf.org to start your own Family Legacy Fund!**
