

2022 Community Enhancement Grantmaking

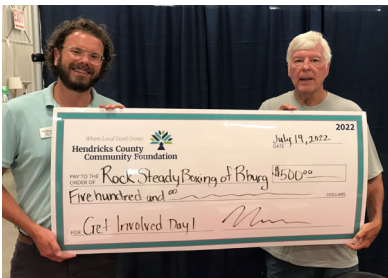

In 2022, HCCF awarded over \$103,000 in Community Enhancement Grants to support organizations all across Hendricks County. Our Community Enhancement Funds are flexible, or unrestricted, funds that allow HCCF to respond to the greatest needs and opportunities in our community. Grants are recommended by our all-volunteer Program Committee and staff as directed and approved by the HCCF Board of Directors. The grants come from our unrestricted Community Enhancement funds, including the Deedee Daniel Opportunity Fund, the First Merchants Charitable Fund, the Directors Unrestricted Fund, and our 63 Family Legacy Funds.

American Rescue Plan Act Grants

HCCF partnered with the Hendricks County Commissioners and Council to assist with the distribution of American Rescue Plan Act (ARPA) funds to nonprofits working in Hendricks County. The American Rescue Plan Act of 2021 is a \$1.9 trillion economic stimulus bill passed by Congress to speed up the country's recovery from the economic and health effects of the COVID-19 pandemic and the ongoing recession. HCCF designed a grant application process to distribute \$6.6 million of these funds (approximately 20% of Hendricks County's allotment).

The Community Foundation recommended noncompetitive grants of approximately \$5 million for community organizations that, along with their clients, were most affected by the COVID-19 pandemic. HCCF also recommended over \$500,000 in competitive grants to 25 local nonprofits in November 2022 with an additional \$800,000 to be offered over the next two years.
